EDUCATION

Wheaton College, Wheaton, IL

B.A. Studio Art & B.S. Computer Science, anticipated May 2027

- GPA: 3.98/4.00
- Aequitas Global Public Health Fellow

EXPERIENCE

Graphic Design Intern, Wheaton College Center for Vocation and Career

January 2024 – Present

- Partner with marketing and event teams to design campus-facing event materials and establish a cohesive, compelling brand
- Develop multi-part event series branding, contribute to website redesigns, build newsletter layouts, and pitch creative strategies for communication to alumni, faculty, and students

Graphic Design and UI Focus Intern, Anewgo

June 2025 – July 2025

- Collaborated on the redesign and launch of Anewgo's new website; used Replit AI to refine UI, debug code, and migrate content from WordPress
- Designed refreshed marketing and event materials aligning with evolving brand standards

Teaching Assistant, Wheaton College, Wheaton IL

September 2023 – May 2024

- Design Teaching Assistant for the art department at Wheaton College
- Assisted with design projects using Adobe InDesign for gallery promotion

EXTRACURRICULARS

Publicity Manager, International Apartments

August 2025 – Present

- Create posters, Instagram posts, and reels to promote campus-wide events fostering intentional community among international and domestic students.

Digital Artist, Storytelling Project

August 2024 – May 2025

- Met weekly with a team to plan, promote, and run events for expressing student stories through art
